

Antrorse

COMPANY PROFILE

About Us

It was in 2005 when Right Vision Consultancy & Placement started its operation and later it changed its brand name to Antrorse in 2011 after navigating successfully for 6 years. Antrorse Impex Private Limited came as a consultancy and trading firm. It has started its operations in Infrastructure in 2019 and has bagged projects worth ₹350 Crores in Pan India. In trading we deal with food products, Food Grains, construction materials and machineries. We are now working on a supply chain on a Pan India basis to support our clients in selling their products in an easy and profitable way. Antrorse is completely dedicated to giving the best services and support to all our clients.

Antrorse Technosoft Private Limited (ATPL) started its operations in 2012. ATPL provides IT Consultancy, software design and development as well as professional services and hardware deployment and maintenance to the following verticals:

- ✓ Government (Local and Central)
- ✓ Financial Services (insurance, banking and clearing house)
- ✓ Telecommunications
- ✓ Energy and Utilities
- ✓ Health Care
- ✓ Education.

Five Pillars

Respect

Treat everyone with dignity, value their contributions, and help one another succeed

Integrity

Uphold the highest ethical standards in our business practices

Values

Antrorse values are the foundation upon which our company is built. These values are timeless and transcend all markets, service lines, languages and business cultures. We Believe in RISE.

Service

Dedicate ourselves to make a meaningful impact on our clients and in our communities

Excellence

Aspire to be the best in everything we do and drive for continuous improvement.

Why Us

ATPL has special expertise in custom software development providing specialized products, IT services and custom end to end solutions to our enterprise customers. We gain competitive advantage from these distinctive capabilities and have developed the ability to implement and manage complex IT systems in changing times with greater effectiveness. ATPL is experienced in delivery, installation and support of large computer systems and networks and maintains a local Spare Part Consignment Store, providing back-up for customer systems in order to minimize the effects of possible faults. Furthermore, we offer reasonable Service Level Agreements (SLA) covering most of the additional maintenance services. With our round the clock support , we are making troubleshooting as easy as possible.
