

Antrorse  TM

Welcome To

 **Antrorse**
mpex Private Limited

Introduction

It was in 2005 when Right Vision Consultancy & Placement started its operation and later it changed its brand name to Antrorse in 2011 after navigating successfully for 6 years. Antrorse Impex Private Limited came as a consultancy and trading firm. It has started its operations in Infrastructure in 2019 and has bagged projects worth Rs 350 Crores in Pan India. In trading we deal with food products, Food Grains, construction materials and machineries. We are now working on a supply chain on a Pan India basis to support our clients in selling their products in an easy and profitable way. Antrorse is completely dedicated to giving the best services and support to all our clients.

Mission

Making Antrorse one of the leading and trusted brand with quality products and services, ensuring our presence in all major geographical areas

Vision

Working for the improvement of infrastructure , to serve the community with best quality of service and product eying improve the quality of life.
